## Lupicor - Sire

**Lupicor is in the top of the German breeding indexes and belongs to the best stallions in Europe.** He is sire to the 2006 KWPN stallion champion L'Esprit (Lupicor x Landgraf I) who has strongly developed himself in a very positive way in his breeding career. The most appealing example is California who with Edwina Alexander currently is very successful in 1.60m GP competitions.

**Other successful international 1.60m showjumpers by Lupicor** are: Correte (Kean White), Brianda (Ali Wolff), Zandigo TS (Philipp Schober), Cisco's Zidane (Andres Penaloza), Zamiro (Kara Chard) and Waomi (Kent Farrington).

## Bella-Stroma - Dam

Is out of the sire Indoctro who went on to a successful jumping career with Ulrich Kirchhoff. In the USA, Indoctro was named the USEF jumping sire of the year as well as being such a success as a sire for the KWPN studbook, that at the age of 16 he received the title: 'Preferent'.
